

SoluShim™

Water Soluble Alignment Sticks

Maintain a consistent and precise gap between plates, flanges and pipes. **SoluShim™** Alignment Sticks are made from EPA approved Aquasol® Water Soluble Composite Board, uniform in thickness and effortlessly removed with the introduction of water.

For Perfect and Consistent Pipe and Seam Spacing

Plate to Plate

SoluShim™ can be placed between plates of any length to maintain a perfect root gap. Highly durable yet flexible, **SoluShim™** can be shaped to form any angle.

Pipe to Flange

SoluShim™ maintains the alignment and gap for pipe-to-flange fit up. Once inserted, **SoluShim™** stays firmly in place on its own, but can be secured with water soluble tape, if necessary.

Pipe to Pipe

SoluShim™ eliminates the guess work in pipe fit up, allowing for a precise and guaranteed minimum gap, every time. **SoluShim™** is easily installed and removed, saving precious man hours and costs.

No Welding • No Cutting • No Grinding • No Foreign Metal Contamination

SoluShim™

Water Soluble Alignment Sticks

SS-38-132 Thickness: 1/32" (0.8 mm)

SS-38-16 Thickness: 1/16" (1.6 mm)

SS-38-332 Thickness: 3/32" (2.0 mm)

SS-38-18 Thickness: 1/8" (3.3 mm)

Size: 3/8" x 4" (9 mm x 101mm)

Packaging: 50 pieces per polybag
20 polybags per case (1000 pieces)

Custom sizes available upon request

Characteristics:

- Adheres to specific Engineering Codes.
- Made from eco-friendly and completely biodegradable Aquasol® Water Soluble Board, **SoluShim™** is compatible with any metal including stainless and carbon steels.
- Incompressible, pre-sized and uniform in thickness.

Spacer Installation:

- Simply insert between gap and secure with Aquasol® Water Soluble Tape if necessary. Eliminates tack welding or holding rod while simultaneously welding.

Spacer Removal:

- Begins dissolving instantly when introduced to water, allowing for quick and easy removal. Eliminate time consuming and costly procedures such as mechanical grinding or cutting with a torch.
- Leaves behind no harmful trace elements.
