MADE IN THE USA

EZ Wipes®

MULTI-PURPOSE INDUSTRIAL CLEANING WIPES

FOR VERSATILE APPLICATIONS AND SURFACES

Ideal for cleaning industrial work surfaces, especially pipes where contamination can severely impact the quality of the weld.

Lint Free

- No residue left behind
- Intricately woven fabric is shred-resistant

Convenient and Compact

- Single-use pouch ensures integrity of pre-saturated wipe
- Easy transport to job sites, fitting in pockets and tool boxes

Eco Friendly and Safe

- CFC & HCFC free
- Contains natural solvent, Limonene
- Can be safely disposed in ordinary trash

Typical Applications

Ideal for Various Surfaces

Machinery • Tools • Aircraft Components • Car Parts • Workbenches • Titanium • Stainless Steel • Chromium • Vinyl • Pipes

Removes a Wide Range of Contaminants

Oils • Lubricants • Heavy Grease • Surface Rust • Scale Build-up • Adhesives • Loose Particles • Paints • Sealants
Epoxies • Tar • Wax • Caulk • Marker • Inks

EZ Wipes®

MULTI-PURPOSE INDUSTRIAL CLEANING WIPES

Aquasol CORPORATION

Pure Welds Start with Preparation

EZ Wipes effectively clean a wide range of surfaces, removing contaminants such as permanent marker, rust, grease, and much more.

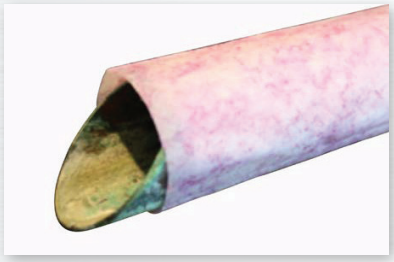

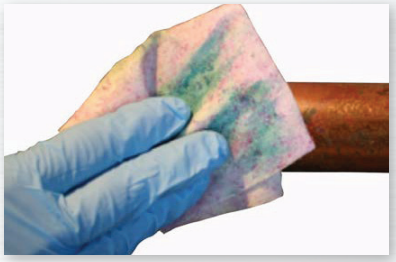

To use, saturate the contaminated surface with an EZ Wipe. Allow the cleaning solution to penetrate the surface for 1–2 minutes.*

Aggressively rub the surface until clean. Use the smooth side to re-wipe the surface, ensuring all impurities are removed.

** For contaminants that are aged or heavily weathered, a second application may be necessary.*

SPECIFICATIONS

EZ Wipes® Types and Sizes

A disposable 8" x 12" saturated wipe featuring a specially formulated blend for maximum cleaning power

ITEM NO.	DESCRIPTION	DIMENSIONS		CASE PACK
		ENGLISH	METRIC
